

Drawing Bubbles

Materials

- Black paper
- Pencil and colourful drawing material (crayons, pastels, or markers)
- Circular objects

Instructions

1. From your surroundings, gather circular objects that you can trace. These items can be cups, lids, a roll of tape, or a sharpener.
2. Trace the edge of the circular object with a pencil and go over this line with a white crayon or pastel.
3. Using colourful crayons or pastels, draw lines inside the borders of the circles.
4. Create highlights using a white marker or pastel, drawing lines and dashes in a circular shape.
