

ALTERNATIVE MATERIALS

you can use to make amazing art

Before you get started...

1) Always ask a parent or guardian for permission and for help before using any alternative materials you find around your house or items you find outside. The item could be:

- * out of reach,
- * sharp,
- * breakable,
- * important or valuable,
- * not yours,
- * dangerous or harmful to yourself or others

2) Please be mindful of wastefulness:

- * reuse and recycle materials to give them another purpose
- * avoid food or other perishable items that could go to waste

Please be smart and be safe!
