

# Paper Penguins

## Materials

- Paper (3 different colours)
- Scissors
- Glue Stick
- Googly eyes, beads, or buttons
- Crayons

## Instructions

1. Cut out an oval for the penguin's body, a heart for the belly, & three small hearts for the feet and beak
2. Glue the bigger heart onto the oval with the point facing down
3. Then glue two of the smaller hearts at the bottom for the feet & the last heart near the top as the beak
4. Draw eyes or glue googly eyes above the beak & decorate
