

Pipe Cleaner Snowflake

Materials

- Pipe cleaners
- Beads, buttons, etc.

Instructions

1. Gather 4-6 pipe cleaners of the same length into a bundle (cut long pipe cleaners in half), then secure them in the centre by twisting them together
2. Spread the arms out from the centre to form a snowflake shape
3. Twist smaller pipe cleaner pieces onto the arms for added detail
4. String beads or buttons onto the arms for decoration (be sure to twist or fold the arms to secure the beads in place)
