

# Craft Stick Insects

## Materials

- Craft sticks
- Glue
- Beads, buttons, googly eyes, pipe cleaners, or pom-poms
- Construction paper

## Instructions

1. Glue three craft sticks together to make a triangle then glue a piece of construction paper on the back to create the body
2. Colour the craft sticks the same colour as the construction paper
3. Cut out various paper shapes like wings, a head, or other decorations
4. Use pipe cleaners for legs and add googly eyes or pom-poms to decorate
