The licensee agrees that:

- a. At all times, the vending or distribution box will be kept in a clean and sanitary condition so that the said box does not constitute a public or private nuisance;
- b. No vending or distribution box will be placed, operated or maintained in any location other than the location specified on the approved application or permit;
- c. No printing or advertising matter shall be placed or maintained on the distribution boxes other than the name of the print media being sold, the name of the publisher and instructions for use of the said box;
- d. The area in the vicinity of the vending or distribution box will be maintained in a condition satisfactory to the Engineer.
- e. If in the opinion of the Engineer, a print media vending or distribution box is located such that it constitutes a visibility obstruction, safety hazard or physical obstruction for a vehicle driver, vehicle, pedestrian or highway maintenance operation, the Engineer may revoke the permit for the box and the permit shall expire seven (7) days after notice of revocation has been given to the permit holder;
- f. If the permit holder for a vending or distribution box fails to remove the said box following expiration of the permit, the Engineer may remove the box without notice and the permit holder shall pay the cost of removal forthwith upon demand;
- g. The Engineer may remove, without notice, any vending or distribution box which is located on a public highway, street or boulevard and is not authorized by a permit;
- h. No person shall chain, fastener affix a vending or distribution box to:
  - i. traffic poles, lamp poles, street name sign poles, utility poles or parking devices; nor
  - ii. a building, structure or fixture not designed to accommodate vending or distribution boxes, unless prior written permission from the owner of such building, structure or fixture is first obtained.
- i. No vending or distribution box shall be placed within 30 metres (98.43 feet) of an intersection, except at the back of the sidewalk.
- j. No vending or distribution box shall be placed at a bus loading area.
- k. No vending or distribution box shall be placed within six metres of any fire hydrant.
- l. No vending or distribution box shall be placed at or adjacent to a pedestrian and/or vehicular egress or ingress location including ramps and crosswalks so as to obstruct or interfere with egress or ingress.
