

# NOTICE OF PUBLIC INFORMATION CENTRE (PIC) #1

## CITY OF WOODSTOCK CYCLING MASTER PLAN

# WE WANT TO HEAR FROM YOU!!!

In September 2012, the City of Woodstock hired MMM Group in association with Paradigm Transportation Solutions to develop a **Cycling Network and Implementation Strategy**. The results of this study will include:

- Recommendations for the design, and maintenance of future cycling routes;
- The development of a future cycling network;
- Identification of specific roads to be considered for the implementation of bicycle lanes;
- Preliminary layouts of proposed routes;
- Design and cost estimates for implementation construction; and
- Draft policy recommendations which address and guide the implementation of future cycling routes / initiatives.

You are invited to a Public Information Centre (PIC) to meet the Study Team and give us your ideas regarding the future of cycling in the City of Woodstock. The following information will be displayed for your review:

- The Candidate Routes Cycling Network that are being investigated, some of which will form the recommended Cycling Route;
- Examples of different cycling facilities types;
- Current results from the online questionnaire; and
- Cycling best practices from Ontario and Canada.

The first PIC is scheduled for the following date, time and location:

**WHEN:** *Sunday March 3<sup>rd</sup>, 2013 from 1:00 p.m. to 4:00 p.m.*

**WHERE:** *Recreation & Leisure Fair, Cowen Park*

**Harold de Haan, P. Eng**  
 City Engineer  
 City of Woodstock, Public Works Building  
 P.O. Box 1539  
 944 James Street  
 Woodstock, ON N4S 0A7  
 T: 519-539-2382 ext. 3112  
 E: hdehaan@city.woodstock.on.ca

### HOW ELSE CAN YOU GET INVOLVED???

- Receive study updates and information on the City's webpage:  
<http://www.city.woodstock.on.ca>
- Complete the web-based questionnaire found on City's webpage (using the link listed above) or directly at:  
<https://www.research.net/s/WoodstockCycle>.
- Fill out a hard copy questionnaire available at key locations throughout the community (e.g. library, community centre etc.). Completed questionnaires can be dropped off at the City's Engineering Office at 944 James Street.

**PROVIDE YOUR COMMENTS AND IDEAS TO MEMBERS OF THE STUDY TEAM USING THE CONTACT INFORMATION BELOW.**

**Dave McLaughlin, MES, MCIP, RPP**
