

## Session #1: Cycling Policies

Please provide your comments on the some policies which could be incorporated into the Cycling Master Plan. Use a marker to note a “check” below the policies that you think should be incorporated into the plan. Should you have any other policy suggestions please write them into the boxes below “Suggested Policies for Consideration”.

<b>Policy #1:</b> Continually improve connectivity for bicycle travel through the City and to neighbouring municipalities.	<b>Policy #2:</b> Work to develop a formal Safe Routes to School (SRTS) Program throughout the City including developing a SRTS Committee.	<b>Policy #3:</b> The City should consider adopting an Cycling Charter to help facilitate and promote the development of a bicycle friendly environment.	<b>Policy #4:</b> The City should take the lead to develop a Cycling Working Group to guide the development of future Cycling initiatives	<b>Policy #5:</b> As part of demonstrating leadership the City should provide bicycle parking facilities at public buildings under their ownership.
✓				

### Suggested Policies for Considerations:

(e.g. The City should develop and distribute hard copy and electronic information on the Cycling routes (e.g. newsletters, mapping and promotional materials etc.))				

## Session #3: Cycling Promotion, Marketing & Programming

Please provide your comments on the some promotion, marketing and programming strategies which could be incorporated into the Cycling Master Plan. Use a marker to note which strategies you support as well as potential partners who could play a role in developing these strategies. If you have other strategies that you think should be considered please add them below "Suggested Strategies for Consideration".

<b>Strategy #1:</b> Developing a City-wide Map of Cycling Routes	<b>Strategy #2:</b> Developing a Branded Route Signing and Wayfinding Strategy	<b>Strategy #3:</b> Developing a Youth-Focused Bike Education Program i.e. CANBike	<b>Strategy #4:</b> Holding Yearly Bike Campaigns for Local Businesses i.e. Bike to Work Day	<b>Strategy #5:</b> Putting Bike Racks on Local Buses and Maps on local bus stops
