

NOTICE OF PUBLIC INFORMATION CENTRE (PIC) #2

CITY OF WOODSTOCK CYCLING MASTER PLAN

The City of Woodstock is in the final stages of developing a City-wide Cycling Master Plan. The Master Plan will include a Cycling Network and Implementation Strategy which will be used to guide the long term planning and development of both on and off-road cycling facilities over the next 20+ years in the City of Woodstock.

The Master Plan will also include:

- Recommendations regarding cycling facility design best practices and maintenance of cycling routes;
- Preliminary layouts of proposed facility designs at several key locations;
- Design and cost estimates by route and implementation phase;
- A suggested funding strategy; and
- Draft policy recommendations to guide the implementation of future cycling routes and cycling supportive initiatives.

You are invited to our second Public Information Centres (PIC) to speak with the study team, give us your input on the cycling network which is being proposed and review draft policies and recommendations. More specifically, the following information will be on display:

- Update on the Results of an Online Questionnaire to Woodstock residents;
- The Recommended Cycling Network;
- Examples of Proposed Cycling Facilities;
- Proposed Route Priorities and Implementation Approach; and
- Recommended Cycling Policies and Promotion and Outreach Strategies.

TELL US WHAT YOU THINK ABOUT THE DRAFT CYCLING PLAN!

Our second PIC is scheduled for the following date, time and location:

WHEN: Wednesday September 11th, 2013
from 6:30 p.m. until 8:30 p.m.

WHERE: Woodstock District Community
Complex – Front Hallway
381 Finkle St., Woodstock, ON

HOW ELSE CAN YOU GET INVOLVED???

- Receive study updates and information on the City's webpage:
(<http://www.city.woodstock.on.ca>)
- Complete the web-based questionnaire found on City's webpage (using the link listed above) or directly at:
(<https://www.research.net/s/WoodstockCycle>).
- Fill out a hard copy questionnaire available at key locations throughout the community (e.g. library, community centre etc.). Completed questionnaires can be dropped off at the City's Engineering Office at 944 James Street.

***You can also provide
your comments and
ideas to members of
the study team using
