## **NOTICE OF COMPLETION (Reissued)**

### **Lampman Place Extension-Rideau Road to Juliana Drive Municipal Class Environmental Assessment Schedule B**

The City of Woodstock has completed a Class Environmental Assessment (Class EA) Study Schedule B for the extension of Lampman Place from Rideau Road to Juliana Drive.

The above project is being planned under Schedule B of the Municipal Class Environmental Assessment. Subject to comments received as a result of this Notice, and receipt of the necessary approvals the City may proceed with design and construction of this project.

The study is recommending a two-lane connection from the existing terminus of Lampman Place to Juliana Drive to minimize traffic strain on the existing neighborhood, allow for development of adjacent properties and improve emergency vehicle access to the area. A complete description of the alternatives can be seen in the Project File report, which is available for viewing on the city's website ([www.cityofwoodstock.ca](http://www.cityofwoodstock.ca)) or hard copies at the following locations:

**City Hall, City of Woodstock**  
500 Dundas Street,  
Woodstock, ON N4S 0A7

**City Engineer's Office**  
944 James Street,  
Woodstock, ON N4S 0B5

**Woodstock Public Library**  
445 Hunter Street  
Woodstock, ON N4S 4G7

A Project File has been prepared to document the planning and decision making process. By this Notice, the Project File is being placed on public record starting **November 12, 2015** for a **30 day** review period. During this time, the public, stakeholders and agencies are encouraged to raise any outstanding issues with the Study Team:

If concerns arise regarding this project which cannot be resolved in discussion with the municipality, a person or party may request that the Minister of the Environment make an order for the project to comply with Part II of the Environmental Assessment Act (referred to as Part II Order), which addresses individual environmental assessments.

Requests must be received by the Minister at the address below within 30 calendar days of this Notice. A copy of the request must also be sent to the Study Team (contact information above). If there is no request received by December 12, 2015, the Lampman Place Extension may proceed to design and construction as presented in the planning documentation.
